Credit Union Donates Gifts to Local Non-Profit

Brea, CA — American First Credit Union associates donate 130 presents as part of the Angel Tree program to a local non-profit organization in Fullerton, California. Crittenton Services is a child advocacy and mental health organization that serves children and families in the local community. Angel Tree is a holiday assistance program in which sponsors (associates) purchase new clothing or toys for a deserving child (or “angel”) to make that child’s holiday wish come true.

American First Credit Union associates with the presents they donated to Crittenton Services’ Angel Tree Program.

“Thank you for reaching out and participating for the 13th year to make our kids’ lives better,” said Beverly Berryman, Community Engagement Director of Crittenton Services. “Without these presents, our kids in need wouldn’t have a Christmas,” remarked Beverly.
