

## **MEMBERSHIP PROGRAM**

**Thank you for choosing American First Credit Union for financial services.** We have made a donation on your behalf to the Children's Museum of La Habra (CMLH) for credit union eligibility. As a member of the CMLH, you and your immediate family members automatically qualify for credit union services. Your CMLH membership card may be used for free entry to other museums and science centers in your area and worldwide through the ASTC Passport Program. Visit **ASTC.org/passport** to search for participating museums. Your CMLH membership card will be mailed to you by The Children's Museum of La Habra.
